Offer Letter

Dear Abhilash k k,

We are pleased to offer you an internship opportunity at Geekwick TechMedia Services Pvt Ltd for the position of **Frontend**. The internship will commence on **March 2025** and will conclude on **April 2025**. Based on your profile and our interactions, we believe you will be a valuable addition to our team. During the internship, you will have the chance to work closely with our team, contribute to ongoing projects, and gain practical experience in a professional environment. We expect you to maintain a professional attitude, follow company policies, and complete tasks responsibly throughout the internship period.
